

Dear parents/guardians!

The City of Vienna is once again offering **free summer German courses** during the summer holidays **from 7 July to 14 August 2025** under the “Vienna Summer Learning” initiative **for students in Vienna with insufficient knowledge of the German language (außerordentliche Schüler*innen) (grades 0–9) and children starting school.**

Interface Vienna runs the summer German courses in cooperation with the Language Support Centre of the Vienna Education Department. The summer German courses aim to improve your child’s German proficiency to ensure that your child gets off to a good start in the 2025/26 school year.

What are the Vienna Summer German Courses?

The Vienna Summer German Courses offer an educational programme tailored to your child, who is growing up with several languages around them, as well as to their age group and school level.

- A summer German course for **students at primary school** lasts **2 weeks** and is held **from Monday to Friday between 8:30 AM and 11:30 AM.**
- A summer German course for **students at secondary school, AHS (secondary level 1) or polytechnic school** lasts **2 weeks**. It is held **from Monday to Friday between 9:00 AM and 12:00 PM.**
- A summer German course specialising in **literacy** for secondary level 1 and polytechnic school students lasts **3 weeks**. It is held from **Monday to Friday between 9:00 AM and 12:00 PM.**
- **NEW:** This year will also see the first **summer German courses for children starting school.** These are children in their last year of kindergarten due to start school in the autumn of 2025. These courses last **2 weeks** and are held **Monday to Friday between 8:30 AM and 11:30 AM.**

A maximum of 16 students are looked after in one group. Trips and excursions are also scheduled in the course programme. The German courses give the children the opportunity to interact with each other and learn together in smaller groups.

The summer German courses will help your child improve their German speaking and writing skills for the next school year. If your child attends the course regularly, he/she will receive a course certificate. The course certificate can be used for an additional check of your child’s German language skills (MIKA-D) within the first two weeks of school. The assessment result shall determine the level of German language support provided at the school. If you have any questions, please contact your child’s school.

Who can take part?

Your child is eligible to attend a summer German course if he/she is a **student in Vienna with insufficient knowledge of the German language (außerordentliche Schüler*innen) (school level 0–9)**. You will need a **confirmation from your child’s school management** (stamped by the head) to register for a summer German course.

When and where do the summer German courses take place?

The following dates are available for the Vienna Summer German Courses 2025:
